

Hayley Homburg, Pro

Introductory Junior League Play
Fridays from 5:15-6:15 pm
Beginning January 6, 2012

This league is ideal for young players who are just beginning to learn the fundamentals of playing a match; how to keep score, where to stand on the court, etiquette and more.

- Depending on the level of the players, matches are played on a 60-foot court with low-compression balls or a 78-foot court with green dot balls.
- To be eligible, players must be competent in serving and rallying within this format.
- Play may consist of singles or doubles, depending on the number of players present on any given Friday night.
- **No weekly commitment is required to play in the league.** Just register in advance by January 2nd to participate through April 20th.
- With the exception of Unlimited Members, who play free of charge, each player will be charged a court fee of \$10, plus tax, per night. We will keep a credit card # on file for those who do not have a Cherokee account. No need to bring cash each week.
- Hayley Homburg will be in charge of arranging matches and assigning courts. Please report to Hayley in the lobby **BEFORE 5:10 pm** if you wish to play.
- We will need parental assistance on the courts to ensure the players are following all the rules. Those parents who feel competent in this role may check in with Hayley on a nightly basis. We'll try to keep parents away from their own child's court so they don't get the evil eye!
- Play will be scheduled every Friday through April 20th, with just two exceptions – **no play on Friday, February 3rd and March 9th.**
