Please read the waiver below and sign for your child's participation in our program.

We are limited to our resources for assisting players during our program. We do have a maximum of a 12 to 1 ratio for instruction. We also have staff that regularly checks on the juniors, while on the course, to make sure they are moving along, taking proper care of the course, using proper etiquette, staying focused and are enjoying the game and their friends. We **do not** have staff that can walk with each junior or group, carry their bags and assist with special needs. If your child needs one on one supervision and/or assistance you must make your own provisions from a professional provider.

By registering or participating, the registrant understands that individual accident insurance is not provided for Cherokee CC Programs and agrees to adhere to program rules. I do hereby, for heirs, my executors, administrators, and myself waive, release, and forever discharge any and all rights and claims for damages that I may have or that may hereafter accrue to me arising out of or, in any way connected with my participation in the Cherokee Junior Golf Program.

Photos may be taken during program for educational and marketing purposes.
