Cherokee is pleased to offer 4-packs of private lessons for 10-and-under players (no membership required!). If you would like your son or daughter to get a jumpstart on their skill development outside of the group lesson format, this is the ideal path to encouraging a long-term love for the sport and proper technique right from the start.

Cost: 4 one-hour lessons: \$280

or

4 half-hour lessons: \$140

Lessons are pre-paid and can be scheduled with any of the pros on our staff. Please contact Andy Surtis at 608-249-1000 or asurtis@cherokeecountryclub.net
